Description: Rock Crusher being used to crush Osage limestone for use in wind turbine foundation. Complainant wants to confirm that the construction company obtained a permit from the Minerals Council to crush & excavate limestone.

## Resolution Summary:

Will get with the Deputy Superintendent, Ben Daniels, and Supervisor Richard Winlock to come up with a resolution.

Meeting Summary: Limestone has been crushed into small rocks and piled around wind turbine foundation pit. No sign of rock excavation or rock crushing dump truck. Only machinery present are personal vehicles and 1 small crane.
